Steelcase® Flex Collection

Steelcase

Empowering Teams

The Steelcase Flex Collection empowers teams to create spaces that can be rearranged on demand, creating environments teams and individuals need to do their best work. The collection is designed for spontaneity - making it easy to shift between different daily activities — from a brainstorm to a workshop, or from a stand-up to a sprint review.

CREATE SPACES ON DEMAND

Steelcase Flex empowers teams to create spaces and environments that are just right for personal preferences and project needs. With little effort, Steelcase Flex can be adapted and reconfigured on demand by the team.

SHOW THE FLOW

Making work visual drives clarity and allows team members to stay up to date on rapidly developing projects. Steelcase Flex provides ample opportunities for teams to create, share and move their work wherever they go.

JUST RIGHT FOR ANY TEAM

Inspired by the diverse activities and flexibility required by teams using design thinking and agile practices, Steelcase Flex gives all kinds of teams the control they need to adapt their space at any given moment. Whether it's big changes or small tweaks to the team's space, Steelcase Flex can move at the same pace as the work they do.

SUPPORTS MULTIPLE WORK MODES

From collaboration to individual focus work to a social gathering, Steelcase Flex elements can create just the right environment as work modes change throughout the day and people move from activity to activity. Steelcase Flex meets the needs of the team without losing sight of the individual.

DYNAMIC TEAM NEIGHBORHOODS

Steelcase Flex creates dynamic team neighborhoods for the high-performing, modern workplace. By providing teams with all the essentials to adapt their space as needed, keep their work visible and shape team identity, Steelcase Flex supports the changing activities and behaviors of hyper-collaborative teams.

Steelcase Flex Collection

The Steelcase Flex Collection is a family of integrated products that work well on their own, but was designed with clever and thoughtful details that allow the entire collection to work best together to create different kinds of team spaces.

SCREENS

The lightweight freestanding screens come in three sizes, are tackable and provide infinite possibilities for personal privacy, space division and keeping information visible. The magnetic edges allow for a variety of configurations and can be easily integrated across the Steelcase Flex Collection.

TABLES

The family of standing and seated-height work tables can be used for a wide array of team activities -- from individual focus work to collaborative work; they can also be used in in-between spaces. Tables come with glides and optional wheels for easy movement, and pegs allow you to hang the power hanger, cable catch or other personal items.
