

C8583

MAXIMUM LIGHT, MINIMUM SPACE.

The new dash mini, the smaller of the two dash LED task lights, combines a timeless yet compact design that maximises space and delivers an optimal light pool achieved through superior optics technology. The dash mini is also available with an integrated occupancy sensor for additional energy savings.

DISTRIBUTED LIGHT

dash produces a more evenly distributed light pool.

- 8-watt LED
- Integrated occupancy sensor with passive infrared (PIR) option turns off the light when the user leaves the area
- User-adjustable continuous range dimming of light output from 100% to 15%
- 9 finish options, including 6 accent colours
- Freestanding, C-clamp, Slatwall and c:scape rail mounting options
- BIFMA level® 1 certified

STATEMENT OF LINE

DIMENSIONS

TECHNICAL INFORMATION

dash™ LED Light	
Source	LED (3x)
Energy consumption	8W
Luminous efficacy – illuminance	25.6 lumens/watt – 1206 lux
Colour temperature	3500 Kelvin
Colour rendering index	80
Cable length	2,74 m
Average lifetime	50 000 hours
Technical features	Fully articulated arm Dimming control 360° rotation Occupancy sensor (optional) Removable universal driver

SURFACE MATERIALS

COLOURS

WM Arctic White	V3 Blue Jay
NL Low Gloss Black	Q6 Maya Blue
SL Platinum	Q8 Wasabi
Q7 Tangerine	T7 Concord
Q9 Scarlet	

Colours are representative and may vary slightly from actual material.

MATERIAL

Steel, aluminum and ABS plastic

SUSTAINABILITY

Designed by Steelcase, dash is manufactured in the USA for the EMEA (Europe, Middle East and Africa) market. Sustainability actions and results are annually communicated in the annual Steelcase Corporate Responsibility report.

MATERIALS CHEMISTRY

Wiring is free of PVC.
Product is free of mercury.
Power supply is RoHS compliant.

RECYCLED CONTENT AND RECYCLABILITY

Freestanding lamp fixture is 97% recyclable with 32% recycled content (25% post-consumer, 7% pre-consumer). Replaceable light head.

PRODUCT ENVIRONMENTAL CERTIFICATIONS

Product is level 1 certified with the BIFMA e3-2008 Furniture Sustainability Standards.
