

**Be my guest<sup>®</sup>**

Step into a quiet retreat

orangebox

## Product Description

Form and function have been carefully distilled into a phonebooth that meets all the needs of the modern-day workplace — a quiet retreat to focus and talk in private.

Be my guest® helps maximise productivity, frees up meeting room space, is quick and simple to assemble and easy to move around.

As our most competitively priced phonebooth to date, Be my guest® still showcases the exceptional quality and attention to detail that Orangebox is known for.

By balancing carefully considered design and acoustics with ease of assembly and cost — form and function have been distilled to its essence — resulting in elegant simplicity and optimal performance.
